TRILOGY

As Maui's "First Family of Sailing", we are proud of the role we played in making Maui and Lana'i the premier island destinations they are today. Over the years we have tried to set the standard for environmental awareness and respect for the Hawaiian culture. Here are just a few of the reasons we believe Trilogy guests return year after year:

- ◆ Trilogy guarantees that your day with us will be educational, entertaining, and safe.
- ◆ First company to implement a zero tolerance on all overboard dumping.
- ◆ One of only three company's in Hawai'i awarded a **Gold Certification** by the Hawai'i Ecotourism Association for meeting their stringent requirements for "Green" operations and commitment to preserving the environment.

- ◆ We offer *Po'okela* cultural training for all our staff.
- ◆ Our Youth Apprentice training program on Lana'i prepares the next generation of island kids to be the stewards of tomorrow.

Back in 1973, following two years of sailing through the South Pacific on the first Trilogy, we wanted to create a trip that was as close to our idyllic cruising days as possible. From that simple idea the original **Discover Lana'i** was born. It was such a good idea that we haven't had to change much these past 38 years! Oh, we've built new modern sailing catamarans, added the beautiful Hale O Manele Pavilion for your dining pleasure, and spent a lot of time and effort training the next generation of Trilogy crew, but our original goal hasn't changed: *Introduce guests to a unique place with very special people who love to share their Mana'o (Knowledge) and who understand the real meaning of Ho'okipa (Hawaiian hospitality).* Maybe that's why so many of our guests come back year after year and still say this was the best day of their vacation!

Lana'i SEAFARI

"In the footsteps of Royalty"

Sails Saturdays & Hawaiian holidays
 7:45am check-in; returns approx. 4:30pm
 Departs from Lahaina Harbor

Over two hundred years ago 'King Kamehameha the Great' chose the southern coast of Lana'i as his summer retreat and as a playground for the Ali'i (royal family). The pristine waters of Kaunolu and Kaunapali teemed with tropical fish, lava tubes hid an abundant supply of lobsters and eels, and the playful and ever present Spinner Dolphins were never very far away.

A lot has changed since those halcyon days, but fortunately some things remain the same. The crystal clear waters of Kaunolu are still rich with tropical fish. Lava tubes continue to offer up their treasures and surprises... to those with the spirit of adventure. And Dolphins seem more abundant and playful than ever!

Combining spectacular *snorkeling and a cultural eco-island tour of Lana'i's interior*, our Lana'i Seafari is truly 'in the footsteps of Royalty'. As some recent guests said of this trip... **"We felt like king and queen for a day"**. Here at Trilogy we think that's the way everyone should be treated!

Also includes:

- ◆ Certified naturalist on board
- ◆ Snorkeling equipment with personal instruction
- ◆ Trilogy's famous teriyaki BBQ chicken lunch served on board

Discover MOLOKINI

Sails 7 days a week
 6:15am check-in; returns approx. 1pm
 7:45am check-in; returns approx. 2pm
 Departs from Ma'alaea Harbor

For many, a trip to Molokini crater is a "must-do" on every Maui vacation. But, with so many boats to choose from, **why choose Trilogy?** For starters, we are one of the few real sailing trips and Ma'alaea Bay is one of the great flat water sailing destinations in Hawai'i. So, if you don't go on a sailing trip you are missing half the fun. We also go to **two snorkeling sites** rather than just one. Not only does this give our guests additional variety, it is our way of avoiding some of the crowds. But what really sets Trilogy apart is the **personal attention each guest receives**. I guess that's the main reason Trilogy customers are so loyal and have been coming back to sail with us year after year.

If you haven't already, isn't it time you became part of the Trilogy family?

- ◆ Capt. Coon's famous BBQ'd teriyaki chicken lunch
