The Trilogy Experience

The TRILOGY Family

"We have been in the boating business for over half a century. We love this way of life and look forward to sharing it with you."

—The Sailing Coon Family

Back in 1973 a family quietly sailed into Lahaina on a 50' sailboat they built themselves called TRILOGY. With almost three generations of seafaring experience behind them, the sailing Coon family could see immediately that Lahaina was the sailing Paradise they were seeking.

Since that time, TRILOGY EXCURSIONS and their "DISCOVER LANAI"® all day sailing adventure has become a tradition on Maui and the benchmark by which all other excursions are judged.

With the passing of Capt. Coon Sr., a few years ago, the tradition has been carried on by sons Jim & Randy. "It is not just a tradition but a whole way of life," the Coon brothers say. Their love for that way of life and their commitment to quality really shows. Whether it is Mom Coon's homemade cinnamon rolls served hot from the oven, a Hawaiian style lunch cooked over a kiawe wood fire, or the professional crew that knows everyone's name before the day is over, it is clear why so much of their business is word of mouth.

"This loyalty is not something we ever take for granted," the Coon brothers say. "Our clientele come from all over the world, but they have one thing in common: they all deserve the best we can give them."

Maybe that's why the Sailing Coon Family guarantees their guests one of the finest days of their vacation.
