

Adventures in Paradise with Trilogy Excursions

**Group and Incentive
Theme Parties and
Activities in Hawaii**

Over a thousand years ago, seafaring Polynesians of the South Pacific set sail in outrigger canoes in search of new, more fruitful lands. Guided only by stars, ocean currents and a profound belief that new life lay just beyond the horizon, they found the Paradise of their dreams, a land called Hawai'i.

In 1973, Captain E. J. Coon and his family quietly sailed from the South Pacific into Manele Bay, Lana'i on a 50-foot Trimaran, that they had built themselves and called TRILOGY. They too were in search of a special place to call home. On this private island of Lana'i, the Coon Family found the paradise of their dreams with perfect weather, secluded beaches, spectacular diving, abundant marine life and most importantly, warm and friendly people. It was here that TRILOGY EXCURSIONS was born and this is the Paradise we invite your groups to enjoy today.

For the past thirty-five years the Trilogy Family has been sharing their seafaring knowledge, island hospitality and deep respect of Hawai'i with guests from all over the world. With the largest, most modern fleet of high-tech sailing catamarans in Hawai'i, a full service Lana'i-based SCUBA diving center, a state of the art jet boat, a fleet of Jeep Wranglers and the Hale O Manele Pavilion for theme parties and meetings, Trilogy offers a range of island and ocean recreation activities that can be found no where else in Hawai'i.

Friendly service, tasty cuisine, creative and unique venues on the beautiful island of Lana'i, will help make your next program to Hawai'i a success. Sail with us to Lana'i and chose from our themes or let us design one especially for your group...and you can rediscover Paradise too!
